LOS ANGELES, CA (14<sup>th</sup> January 2020) – [Square Enix Ltd.](#), announced today that *Marvel's Avengers* will launch on September 4, 2020.

Below is a message from Crystal Dynamics' Co-Studio Heads, Scot Amos and Ron Rosenberg:

To our fans,

At Crystal Dynamics our ambition has always been to deliver the ultimate Avengers gaming experience. In order to achieve that goal, we have made the difficult decision to move the release date of *Marvel's Avengers* to September 4, 2020.

As fans ourselves, it's an honor and a privilege to work with these legendary characters and we know what these Super Heroes mean to us and True Believers around the world. When we set out to bring you our vision for *Marvel's Avengers*, we committed to delivering an original story-driven campaign, engaging co-op, and compelling content for years to come. To that end, we will spend this additional development time focusing on fine tuning and polishing the game to the high standards our fans expect and deserve.

The worldwide teams working on *Marvel's Avengers* sincerely appreciate the support you've shown us. We thrive on your enthusiasm and feedback and we can't wait to show you more. We apologize for the delay. We're confident it will be worth the wait.
